

[It's Times Like These...](#)

...that are, in my opinion, the best ones to give a gift to someone you care about. It's an idle time of the year, Christmas has passed, and it's not Valentine's day (I completely disagree with a day of forced romance, but I'll get to that next month I'm sure).

So go ahead, write someone a nice letter with no more intention than to say hi. Get your mom some flowers. Now is also the time of the year where food shelters are most in need of donations: the Christmas rush of generosity is over, and nobody gives at this time of the year.

Just a thought.

You and your altruistic behaviour.

Sigh.

I love you.

I loathe you.

I love you more.
